Instructions for Activating a Course URL or Course Key

ACTIVATING A COURSE URL

1. The student must click on the URL link provided in the email or copy and paste into their browser.

Dear amelia,

You have been assigned a course on eLearning.heart.org by AHA ECC Programs - aha.staff@heart.org

Course: HeartCode® BLS

Assigned to: amelia clark - amelia.clark@heart.org

Click the link below to automatically enroll in your course. If you do not already have an account set up on eLearning.heart.org, you will be asked to register prior to beginning your course.

Click here to enroll in this course [HeartCode® BLS](#)

[Note: If the above link is not working for you, please copy the URL below and paste it in your browser]

https://elearning.heart.org/course_enrolment?course=21&code=7C9EAB9SU&rand=Mjc=

To access your course anytime, login at eLearning.heart.org and go to the My eLearning section.

Thank you,

2. The student will be taken to the Course Details page and will click on the Activate Course button.

3. If the student already has an instance of this course in their account, they will receive the below confirmation message. They should click Activate to start a new instance of the course from the beginning. They should click Go to My Courses to not activate and continue to their existing Courses.

4. The student must accept Terms and Conditions for the course.

5. The student will click on Launch next to the new course in their My Courses page. The student can log in to their account and return to this page at any time to continue their course.
